Judge Cole and his juries at Morelead. If a few of the red-handed
nursleers of that section are string
plan and the lesser criminals are trught
trades in the pendeuticry, we may
hopefully look to better condition
of things. Courts and juries generslay, seem redeliedly indifferent to
the enforcing of the hass. It devolves upon the best chinene of everysection of the Commonwealth to create a public spinion of such throughtman hans of the public peace will be
that to divergant.

When evil doors shall not be distanged to house to the condition
of the commonwealth to credelinged to have technical thics; when
juries are too housest to reader a verdien of "one cent and the costs" for
flagrant breaches of the peace; when
juries are too housest to reader a verdies of "one cent and the costs" for
flagrant breaches of the peace; when
juries and readers to try and jurries freatess to punish, the State will
be fallifling ber implied obligations.
This can never be mult public opinto is elevated to a plane much higher than it now scenpies. The press,
the pulpit and the school-room are
the only channels through which
this correction of public monals can
be effected, and the school-room are
the only channels through the
